## *President's Message for Winter*

Over coffee with a new member of our Retiree Association board, we talked about why we so much enjoyed serving the university. My friend described the sense of gratitude she felt for the years she had served, the friends she met, the sense of self that her position gave her and the good feeling she experienced in giving back.

Because the first half of my forty years in higher education was spent in smaller independent universities, I described my sense of good fortune in retiring from an institution which provided good health and pension benefits. One friend of mine from a university I served earlier in my career, had to sell his home and move to a town with a less costly standard of living in order to pay for the medical care he needed. That institution provided no health benefits for staff retirees or faculty emeriti.

What we shared over coffee with the greatest enthusiasm was the sense of satisfaction each of us felt in supporting a university that makes such a positive difference in our society: by providing an education to first-generation students, in conducting research which could make the environment more sustainable, and by training leaders who can shape a positive future for our grandchildren.

We also admitted that the most immediate benefit we receive in serving the Retirees Association is the fun we have in planning events and working together with friends we've known for years. If you're curious about what happens at one of our meetings, we would be happy to have you join us. Just email me at [davesteph@cruzio.com](mailto:davesteph@cruzio.com) and I'll fill you in on the details.

**Dave Dodson, President**

*UCSC Retirees (top left to right) **Lee Duffus, Linda Larkin, Freda Crum, Jerry Walters**, and (seated left to right) **Valerie Simmons, Lynne Wolcott** were volunteer poll workers in our recent election on November 4, 2014. Thanks for your community service!*

UCSC was well represented at the Fall CUCRA and joint CUCRA/CUCEA meetings held October 22-23, in the Alumni House at UC Berkeley. **Lee Duffus** led the CUCRA meeting as Chair. I was accompanied by **Jenny Anderson** as the alternate representative and **Dori Schack** as a “guest,” while **Roger Anderson** and **Mary Silver**, (CUCEA Chair and CUCEA Representative respectively) joined us for the joint meeting on the second day. Here are the meeting highlights:

Thanks to the income generated by the Travel Program, the value of CUCRA’s assets as of September 30 was \$50,103.62. After discussing and voting against various proposals to reduce or amend the dues structure, the Association’s representatives voted to increase funding from \$1500 to \$5000 for 2015 for CUCRA’s Grant Initiative (established at the May meeting) to support initiatives for campus association activities and things outside the normal CUCRA budget.

**Lee Duffus** was unanimously re-elected to serve as CUCRA Chair for another two-year term!

**AROHE Report:** Jenny Anderson received funding from CUCRA to attend the Association of Retirement Organizations in Higher Education (AROHE) Conference in August as a representative of both CUCRA and UCSC. She reported on the information and ideas gained from the conference for both CUCRA, our Association and our new Kresge Retiree Center.

**Two topical roundtables:** Jenny participated in Group 1, which was focused on financial sustainability, and I attended Group 2, focused on membership communications. Much of Group 2’s discussion focused on electronic communications. Many are reducing or eliminating printed newsletters and UCI charges members who wish to receive snail mail an additional \$5. UC Davis and others use a suite of online marketing tools offered by Constant Contact, Inc for bulk emails and surveys.

**Joint CUCRA/CUCEA meeting:** After Berkeley’s Straw Hat Band serenaded us with a couple of numbers, UCB Associate Vice Provost for the Faculty, **Angelica Stacy**, gave an interesting talk about the survey she conducted to address issues confronting late-career faculty within UC. The faculty is aging, as the average age of the Cal faculty has risen from 46 to 52 from 1979-2009 with 1 out of 6 being over 65.

**JBC Chair resigns:** **Adrian Harris**, JBC Chair (and charter rep to the committee from CUCRA 20 years ago) provided an impressive summary of the accomplishments of the committee and announced he decided it is time for him to reduce some of his obligations. He will resign as Chair as soon as the new Chair has taken a seat.

## Bruce Lane Memorial Funds Report

We hope to give at least twelve \$500 scholarships under the UCSC Retirees Association Bruce Lane current-year scholarship umbrella on **Tuesday, March 3, 2015** at the UCSC Arboretum. Income from the endowment will provide almost three of those scholarships, and three *very special* memorial scholarships will provide three more awards. Money contributed to the current-year fund will allow us to give the remaining six. Depending on how many contributions are received in the near future, we may be able to do even more.

Currently, we have contributions totaling **\$63,202** in the UCSC Retirees' Bruce Lane Scholarship Endowment. We are determined to make this fund grow and increase so that more scholarships can be given from the income each year. Because the UC Regents have invested these funds, the actual market value of the endowment fund was **\$68,000** at the end of September. Our military veteran students have done so much for our country that we want to show our appreciation by giving them help with scholarships. With income from the endowment, we can do that perpetually.

***Do you have a relative or friend who you want to honor with a memorial scholarship? If so, please call me at (831) 426-8353.***

**Maxine Lane, Scholarship Chair**

### ***Three VERY SPECIAL Scholarships to be given in March***

At our **March 3, 2015** soup potluck luncheon, three *very special* scholarships will be given under the umbrella of the UCSC Retirees Association Bruce Lane current-year scholarship fund. They will be the **Lt. Col. Raymond Pascal** scholarship from his widow, **Gertie Johnson**; the **Chaplain Ben F. Janes** scholarship from son-in-law and daughter, **Roland and Nancy Pascal**, and son and daughter-in-law, **Dustin and Jo Ann Janes**. **Maxine Lane** will honor her good friends with the **Harry and Jene Zenner** scholarship in their memory. (Due to space limitations, details about their lives will follow in our next newsletter.) All of these scholarships will go to UCSC retired military veterans.

## *UCSC Retirees do it again!*

For two years in a row, both **Jerry Walters** and **Dave Kirk**, won prizes for their photos at the August 2014 Santa Cruz County Fair! Jerry won a Second prize for his photo of the Oregon Coast in the Scenery category while Dave won two Second prizes for photos; one for the *Woman in the Window* in the Photo Journalism category and the other, *Jesus Lizard*, in the Undomesticated Animals category.

*We had a whale of a good time when 29 UCSC Retirees embarked on a whale watching trip with Sanctuary Cruises of Moss Landing on October 15, 2014. For details, see the article on our website:*
