Following is a compilation of responses to the question, “With which issues or challenges can CUCRA potentially better serve your association?”

Forum to present ideas and share concerns (4)
Sharing initiatives for association activities (3)
Networking opportunities among the associations (3)
Opportunities to learn best practices from other associations (2)
Developing and using effective association websites

Encourage participation by all associations on CUCRA committees and leadership roles

Advocacy for retirees, especially health care insurance (5)
Reports and updates from UCOP regarding retirement benefits (2)
Coordination of benefit issues that impact all UC retirees (2)
Advocacy for more equitable system of calculating insurance premiums for retirees in all employment tiers

Recruitment and retention of members (3)
Recruitment of volunteer leadership from among association membership (2)
Advocacy for access to contact information for new retirees (for associations without a professionally staffed center)

Change CUCRA’s dues structure from the flat tax per member to a tiered system based on the size of the member associations (e.g., 200-400 members = $200; 400-600 members = $300; 600 and above members = $500)
