Office Committee Report  
Retirees Association 6/11 Meeting

As a result of some wonderful momentum we (Mary Silver, Dave Dodson, Lee and I) generated at a CUCRA/CUCEA workshop this spring, I’m pleased to report that we are making good progress with our office at Kresge.

We called a meeting when we got back to campus and now have a Steering Committee for a Retiree and Emeriti Center that includes: Nancy Pascal, Lee Duffus, Dave Dodson, Mary Silver, John Marcum, Michael Cowan, Roger Anderson (hopefully) and Jenny Anderson.

This committee has met once, agreed to move forward as quickly as possible, and submit a proposal to the Chancellor by the end of July.

We are:

1. Gathering data regarding financial and service contributions for both Emeriti and Retirees. Mary, Roger, Dave, Lee, and Jenny.

2. Working on a job description for a ¼ time Center staff person (to be shared with Osher Life-long Learning Institute--OLLI). Nancy, Corrine and Jenny

3. Developing an operating and one-time budget. Nancy, Corrine and Jenny

4. Writing a proposal outline. Nancy

We would love input from all of you, especially those of you who have served on the Board’s Office Committee and thought about this.

We are working on the questions below as we move towards submitting a proposal. If you have ideas/questions/comments, please let me know.

Jenny

1. Who are our key campus partners?
2. What new connections could we be making?
3. What kinds of current programming are we doing/could we do together?

   Ideas so far include:
   • Pre-retirement programs
   • New mentoring program with Emeriti
   • Travel programs
   • Smith Renaissance Society
   • Pister Scholars
   • Veteran’s Services
   • STARS
   • Osher Life-long Learning
